

NATIONAL HOMEOWNERSHIP MONTH 2009

A special thanks to all of our homeowners and business partners who participated in collecting non-perishable items for the Omaha Food Bank during National Homeownership Month. With your help NCDC successfully collected four barrels of food and other much needed items.

Steve Mayfield of the Omaha Food Bank drew the winning entry form for the \$1,000 landscaping package on Thursday, July 2, 2009.

Congratulations to Jenty Laamatjok, a Long School Neighborhood resident and lucky winner of the grand prize!
